SKILLS

Experienced in Javascript, HTML5, CSS3, Vue.js, React, C#, ASP.NET Core, Xamarin, Auth0, SQL, Visual Studio, Visual Studio Code, Cypress, Azure DevOps, Azure Data Studio, Postman, Figma, and Adobe Suite.

EXPERIENCE

Ruby, Nashville, TN - *Software Developer (Vue.js, C#/.NET, Xamarin, Cypress)*

June 2019 - PRESENT

- Built, deployed, tested, and maintained two web apps and one mobile app with a small team in an AGILE environment while under tight deadlines.
- Built and deployed a web app in under a month which helped the company to acquire 1000's of new users.
- Key player in weekly meetings with product and design to help discover any UI/UX or build issues.
- Recognized by my CEO and team for my soft skills - including thinking deeply about the user experience, pushing to make the product better, evangelizing the product, and advocating for my team when needed.

Professional Musician, Nashville, TN - *Studio Owner / Producer*

September 2007 - January 2019

- Produced, recorded, engineered, and helped to brand independent artists. Designed album art using Adobe Photoshop.
- Toured with major label artists including: Matt Nathanson, Brett Eldredge, and David Nail.

EDUCATION

Nashville Software School, Nashville, TN - *Certificate*

January 2019 - June 2019

Worked individually and in teams to learn the fundamentals of Javascript, git, React, and C#/.NET Core. Built in React and deployed to Digital Ocean an original webapp 'Chewsy' using Auth0 for authorization privileges. www.chewsy.net

Berklee College of Music, Boston, MA - *B.A Contemporary Writing and Production*

September 2003 - January 2007
